BULLETIN #1

To: All NABET-CWA/ROC Members

NABET-CWA Local 11 and River Operating Company met this week in a continued effort to reach a new agreement. Although there were significant proposals accepted by the Company, there still remains a large gap on economic issues.

There will be a membership meeting to discuss our positions and the need for member mobilization. The meetings will be held at the NABET-CWA Local 11 offices at 145 West 30th Street, NYC (between 6th and 7th Avenues), on the 12th Floor, on Wednesday, July 15, 2009 starting at 6:00PM.

In the meantime, please ignore all rumors. Bulletins and other official information concerning these negotiations will be distributed by the Local as necessary.
