

BURST Introduces our Partnership Program with SCS Order and receive additional discounts as a member!

Office Products

SCS has been an office products leader for over 10 years. By utilizing a network of 40 distribution centers located throughout the United States, SCS can expertly distribute over 30,000 office supplies on a next day basis nationwide. As far as pricing is concerned, SCS will customize a program for you or your organization that offers our deepest discounts on the supplies you use most frequently. In addition, we will design a system that reduces your overall operating expenses and helps to simplify the entire procurement process. If on-line ordering interests you, SCS has a state of the art, fully secure and easy to use Internet solution. Please visit us at www.scssupply.com where you can find specifics on the many outstanding options this system has to offer.

Printing

From business cards to presentation folders, SCS has everything you need to create an impressive and professional image for you or your organization. SCS has a variety of formats and processes to choose from that will allow you to make that all-important first impression. Our service oriented philosophy combines attention to the smallest detail with the ability to understand what each customer is trying to achieve. Trust all of your business stationery needs to one complete and reliable source, SCS.

**Burst members will receive an additional 10% discount on all your printing needs.
We use union printers.**
