Grass Valley Group's Non-Linear Editing System

ABC ,CBS and NBC have it

NewsEdit

Formerly known as Vibrant

Each session will consist of a presentation and update by the BURST Committee on existing benefits, plans for future seminars and new-to-be added benefits.

An overview and question session on Grass Valley's Digital News Production Suite and "Profile" tapeless Record/Playback system.

See the NewsEditLT (laptop) and get a preview of the new 3D effects

PLUS 'Free' FOOD and REFRESHMENTS

Can't stay for the entire day? Drop in anytime.

*** Meet the committee * Meet the vendors * Discuss your options ***

**Our Training days have been a great success, but we need your continued support and input.
B.U.R.S.T. and your locals are committed to your future!**

Membership participation is vital, so we can continue to provide you with the training and information that you will need to be competitive in this technologically advancing market.

THE FUTURE IS NOW!

Contact your Local Union office @ 212 757-3065 or Joe Salvaggio @ 917-416-8453 for further info.
