RE: NABET-CWA/NBC Contract increases

Please be advised that pursuant to our Master Agreement with NBC, a three percent (3%) increase in wages will go into effect on April 1, 2001. This increase is for all contracts in New York, Burbank, Chicago and Washington. There is also a one dollar (\$1) bump in the meal per diem allowance for individuals who travel overnight on NBC remotes effective on the same date. The new per diem will be fifty dollars (\$50) per day so assigned.

Fraternally,

**Louis P. Fallot,
President**

**William F. Freeh,
Vice-President & Grievance Chairman**
