## NABET - CWA/NBC NEGOTIATIONS NEW YORK CITY

### BULLETIN #2

**August 30, 2001**

NABET-CWA and NBC Negotiating Committees today concluded a series of week-long, off-the-record bargaining sessions. The joint meetings were devoted mostly to dialogue between the parties on limited issues each had presented at the previous week's sessions.

The Company's Negotiating Committee was joined by various other NBC management representatives to offer in-depth explanation of the network's proposals.

As in the opening round of talks, the Union's Negotiating Committee was assisted by several Daily Hire representatives who continue to participate in the talks. The locations of the joint sessions alternated between Local 11 and NBC's Rockefeller Center offices.

The parties recessed after this first phase of early, limited-issue bargaining and will resume negotiations in New York City on October 1, 2001.
