## NABET-CWA/NBC NEGOTIATIONS NEW YORK CITY

BULLETIN #8  
June 5, 2006

Please be advised that the members of the NABET-CWA-represented NBC bargaining units have overwhelmingly approved the Network Negotiating Committee's request for strike authorization.

The vote, which was conducted separately by secret ballot in New York, Washington, D.C.; Chicago and Burbank, was counted on Friday, June 2, 2006. The membership at each location passed the authorization by a solid margin.

Your Network Negotiating Committee appreciates your continued faith and support, and will now return to the task of mobilizing to win a fair and equitable contract that fits both the needs of our membership and those of NBC.

The Network Negotiating Committee is planning to meet in caucus in New York City at the end of June. Your Committee will keep you advised of any changes or progress in this situation. As always, you should ignore all rumors or company propaganda.
