## NABET-CWA/NBC NEGOTIATIONS NEW YORK CITY

### BULLETIN #9 July 17, 2006

Please be advised that NABET-CWA's Network Negotiating Committee (NNC) has reached a tentative agreement with NBC Universal on a new three-year contract. The Union's bargaining committee is unanimously recommending that the membership ratify the agreement.

The tentative agreement was reached after a series of off-the-record discussions between the parties over the last several weeks.

Among the numerous changes in the contract, the agreement includes wage increases of 3.25%, 3% and 3.25% over the course of the three-year agreement. Provided the agreement is ratified by August 25, 2006, the first increase would be effective as of July 15, 2006. The Union will make a summary of the proposal available to the membership as soon as all the details are finalized. Copies of the actual proposals will also be available.

Each Local covered by the agreement will be holding membership meetings to discuss the proposal on dates to be announced. The NNC urges members to attend one of these meetings.

Your bargaining committee thanks you for your continuing support and commitment throughout this lengthy bargaining process.
