NABET-CWA/RAI Ratification

A secret ballot ratification vote was conducted today at the office of Local 11 in New York City.

Bargaining Unit members were asked to vote on the 4 year Tentative Agreement reached with RAI Corporation on April 3, 2008.

The contract was ratified overwhelmingly and was conducted under the auspices of your Negotiating Committee, Local 11 Officers and NABET-CWA Staff Representative Lou Fallot.

The NABET-CWA/RAI Negotiating Committee once again thanks you for your continued support in achieving this historic first time contract between the Union and RAI Corporation

Fraternally,

NABET-CWA/RAI Negotiating Committee
