NABET-CWA/RAI Negotiations

The NABET-CWA Negotiating Committee met again at 3PM on Tuesday, June 20, 2006 at the offices of Local 11.

The Union's Committee spent the afternoon reviewing RAI Company's information that was sent to NABET-CWA. The Committee discussed strategy and a list of possible proposals to submit to the Company once negotiations are underway.

The Committee will next meet on Monday, July 10, 2006 at 3PM here in NYC.

It is anticipated that formal negotiations with RAI will commence in early September, 2006.
