BULLETIN – OLYMPICS UPDATE

Dear Sisters and Brothers,

On Tuesday, March 24th, the International Olympic Committee President and the Japanese Prime Minister jointly agreed that the Tokyo Summer Olympics must be rescheduled to a date beyond 2020 but not later than summer 2021, to safeguard the health of the athletes, everybody involved in the Olympic Games and the international community.

I had a conference call with NBC's Labor Relations team to discuss the IOC's decision and the impact it will have on our members who were scheduled to travel to Japan and work on the Olympics broadcasts. Labor Relations informed me that they are continuing to meet with NBC Sports management and are discussing the Company's future plans. NABET-CWA Local 11 will provide further information as soon as it is made available.

Fraternally,

Louis M. Marinaro
